

About Us

Namaste This is Sudhanshu Bansal. Your Host & Friend in India. Welcome to Holiday Jacks.

I was born in India and belong to New Delhi. I completed my schooling & College at Delhi with Bachelor degree in Commerce with Honours. I completed my professional qualification from Indian Institute of Travel & Tourism Management.

Before starting my own venture i worked in different tourism firms looking after operations and travel arrangements of delegates & tourists to India. I have wide industry exposure in organising Inbound & Domestic Trips in India. I myself have well travelled in India and understand the problems what a tourist can face while travelling.

Whether creating a complete itinerary or making arrangement at specific destination, i have a simple objective to make sure my client gets the best travel experience customised to their interest, lifestyles and budget.

About Our Company

We are a young Indian Travel Specialist offering tailor made tours with custom made itineraries within India, Nepal & Bhutan.

Our philosophy is that a good tour should be affordable, comfortable, educational and fun filled. You can find ample of cheap tours and luxury tours through other operators but we believe that we can offer you more than what they can offer a

true experience with perfect combination of price and satisfaction.

Great Value To Our Guest

Being local tour specialist we are able to negotiate better deals from vendors by selling direct and keeping our overhead low. Keeping a small profit margin for our self. Every penny you spend is going on your holiday rather being wasted on middlemen and high rental office space. We operate from a small office in New Delhi.

Team

Our Team comprises of Individuals who have passion to travel and uncover best of India to the world over, designing dream itineraries and helping people to travel beyond borders to discover the rich history, culture, heritage that the country has to offer.

Strong Values & Mission

Our mission is not only to show real India but to indulge by knowing more about the history & culture, relish it by trying our best of Indian cuisines, living it by staying in heritage hotels, home stays & more. It should be mixed.

We believe that you journey should enlighten you and you gain something from it. The tour should show best of each destination we travel to , its history, culture, food, beliefs, traditions, etc. We are determined to do so in a way offering you a good level of comfort and luxury.

Many tour companies are marketing experts with glossy travel brochures, attractive websites and other marketing gimmicks. Our expertise is in understanding needs of our customer and the destination they are travelling to.

We know that for the traveller small things can make a big difference when overseas:

- *the bed you sleep in;*
- *how far you need to walk from your hotel to the center;*
- *who looks after you every day;*
- *what you actually eat at every meal;*
- *and what you see and don't see...*

To do this we know our destinations intimately, All tours are carefully tailor and aims to ensure that the traveller can truly experience the very best of a destination without having to compromise on the comfort and luxuries they are used to.

I, Sudhanshu Bansal, the owner of holiday Jacks, am aware of the fact that life is short and capricious, and that there is only so much an individual can accomplish in his lifetime. I therefore choose to dedicate my life to fulfil people's vacation dreams and promise that we will make those dreams reality.

We are always at your service.
